Input to the Call for inputs for 2020 and taking stock of 2019

1. Taking Stock of the 2019 programming, outputs, preparatory process, community intersessional activities and the event itself: What worked well? What worked not so well?

Feedbacks:

A/ what went well are: 1/ Involvement of all NRI's in the preparations and participation in panel discussions; 2/ A lot of space for side meetings and networking; 3/ Involvement of high level panelists in the programs; 4/ Overall program was well organized; 5/ availability of fellowships to support participation at the IGF

B/ What worked not so well during IGF 2019: 1/ Some sessions had too many panelists which did not allow for Q&A 2/ IGF App had some minor time errors, could be improved

C/ Suggestions for IGF 2020: All hosts have their own way of organizing the IGF, and we appreciate the work that they put in to organized these great events and we look forward to participate in IGF Poland this year.
